Board Reports

Supervisor Lott reported that the Ingham County Road Department (ICRD) has completed the paving of Hagadorn Road from Jolly Road to Howell Road and that they will be working on stone chipping in the coming months.

Supervisor Lott also reported that he attended the listening session with ITC regarding the proposed long-range transmission plan stretching from Grand Ledge – Oneida Substation to the new Sabine Lake Substation in Livingston County. This project is in the early stages of planning this meeting with communities was to get any plans for large development plan in the area.

Supervisor Lott reported that he has completed several site plan reviews for a new pool, home addition and a new pole barn in the last week.

Supervisor Lott is still working on the Honor Roll project at Leek Cemetery.

Trustee Smith reported that the new trail at Leek Cemetery has a lot of growth of weeds in the limestone entrance area to the trail along with small trees beginning to grow in the mulch area of the trail. See also noted that the trees that fell and cut up need to be pushed back of the trail a bit further.

Trustee Smith reported that we are getting to the final stage of the trail project at Leek Cemetery. The grant has \$20,000 available to finish the trail up. The trail head will have the new sign that is being completed and will be installed. Trustee Smith suggested we spruce up the trail head area that once was used to store extra dirt from grave sites and address the evasive plants growing around the trail that will end up taking over the trail area.
